

Where **cash**
meets **commerce.**

Cardtronics operates over 52,000 ATMs around the world, including over 15,000 bank-branded ATMs. We provide the only true single-source "end-to-end" ATM solution in the industry with comprehensive services that include ATM sales, installation and placement, transaction processing, marketing campaign management, cash management and much more. We drive traffic and profitability for many of the largest retailers in North America and thousands of independent merchants, delivering real value beyond the kiosk... where cash meets commerce.

CARDTRONICS

A DEDICATED, STABLE

PARTNER

Cardtronics is the world's largest owner and operator of retail-placed ATMs with over 52,000 machines deployed on two continents. In Canada, Cardtronics brings to bear the same resources and expertise that have allowed the company to operate ATM programs for 7 of the 10 largest retailers in the United States*. Just a few of the things that set Cardtronics apart include:

- ATM programs to meet any need, from merchant own-and-load to turnkey
- Company-owned processing network for improved uptime and lower costs
- Personal touch trusted by independent merchants with over 20,000 ATM placements backed up by the resources of a strong public company (NASDAQ: CATM)
- Support and service whenever you need it, 24/7/365
- Service availability throughout North America, including every Canadian province and major metropolitan area

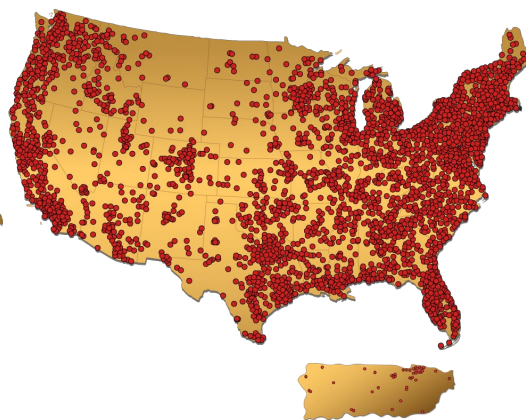

Cardtronics is the trusted ATM provider for the most discerning retail and financial brands:

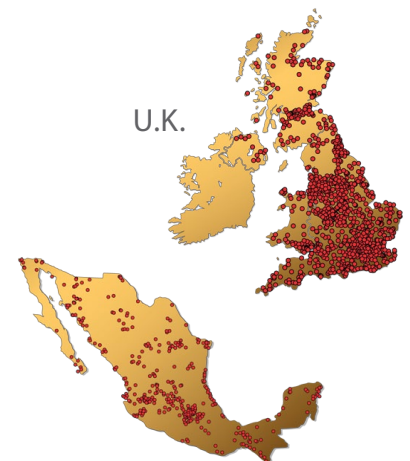

Cardtronics provides unique experience, reach and vision to power Canada's premier ATM network. But we do much more. We help retailers by boosting transactions and loyalty as we deliver exceptional everyday convenience to consumers. Cardtronics provides real value beyond the kiosk... **where cash meets commerce.**
